Here are some exciting New England destinations to add to your summer bucket list—all just a car ride away.

Woodstock Inn & Resort – Woodstock, VT

Vacation at the intersection of history and luxury.

Woodstock Inn & Resort is a year-round destination that combines quaint New England charm with high-end amenities and lush landscapes. Established in 1793, the Inn is cherished for its preservation of New England history, heritage, and elegance.

With its LEED-certified spa, the Nordic Center, and the Orvis-Endorsed Fly-Fishing Program, the Woodstock Inn & Resort embraces the vision of conservationists and founder Laurance Rockefeller. Other amenities include a game room lounge, Suicide Six ski area, 18-hole golf course, falconry center, indoor and outdoor tennis courts, and hiking at the nearby Marsh-Billings-Rockefeller National Park. Between activities, stop at one of the inn's four restaurants and bars for a handcrafted cocktail or a meal made from locally sourced ingredients. woodstockinn.com
